About APT:

[American Public Television](#) (APT) is the leading syndicator of high-quality, top-rated programming to the nation's public television stations. For more than 10 years, APT has annually distributed one-third or more of the top 100 highest-rated public television titles in the U.S. Founded in 1961, among its 250 new program titles per year, APT programs include prominent documentaries, performance, news and current affairs programs, dramas, how-to programs, children's series and classic movies. *America's Test Kitchen From Cook's Illustrated, Cook's Country, AfroPoP, Rick Steves' Europe, Front and Center, Doc Martin, Nightly Business Report, Midsomer Murders, A Place to Call Home, Lidia's Kitchen, Globe Trekker, Simply Ming, and P. Allen Smith's Garden Home* are a sampling of APT's programs, considered some of the most popular on public television. APT licenses programs internationally through its [APT Worldwide](#) service. Now in its 12th year, [Create®TV](#) — featuring the best of public television's lifestyle programming — is distributed by American Public Television. APT also distributes [WORLD™](#), public television's premier news, science and documentary channel. To find out more about APT's programs and services, visit [APTonline.org](#).
